LAW

It is anticipated that Mr. Bakare will be released from custody tonight, April 27, 2022, and

If the Court finds that the defendant is "financially unable to provide the necessary transportation to appear before the required court on his own," then the Court may order the U.S. Marshal Service to arrange for the person's noncustodial transportation to appear in court. See 18 U.S.C. § 4285. This statute applies where a defendant is released in one district on a condition of her subsequent appearance "another judicial district in which criminal proceedings are pending." 18 U.S.C. §4285. However, historically, in this District, this funding has also been used to provide one-time transportation upon a defendant's release from custody to the district where he will reside.

REQUEST

The facts presented indicated that Mr. Bakare would not be able to pay for the cost of transportation to Laurel, Maryland, where he has been ordered to reside. Accordingly, Mr. Bakare requests that this Court order payments pursuant to 18 U.S.C. §4285 for transportation from Sacramento, California to Laurel, Maryland. Pretrial Services has been given a copy of this request.

A hearing on this matter is not requested.
